RE: **ST CATHARINES HOSPITAL MUNICIPAL RD & NEW PARKING LOT**

Dear Mr. Jakobschuk,

We are pleased to submit pricing for the above-noted contract for your review as follows:

To flush, CCTV and mandrel inspect approximately 629 metres of mainline storm and sanitary sewers, our price would be **$ 5.18 PER METRE + DISPOSAL FEES + HST**. This price would include the following:

1. High pressure flush each section twice.
2. Vacuum the debris from flushing out of the manholes.
3. Provide a CCTV inspection of each section.
4. Submit two copies of the inspection on DVD with reports and still photos of any defects.
5. Provide a mandrel inspection of each section of plastic pipe complete with written report.

PLEASE NOTE: **This pricing is valid for 30 days from the date of the quote.** Please be advised disposal fees will be charged in addition to the contract price. Disposal fees will be priced according to material and weigh tickets at the time of disposal. These prices will be added to the contract price and billed as per pay schedule. The use of an on-site water supply will be required, or travel charges may apply. Traffic control will be billed at $95.00 per hour, if required. Any permits, locates or generator numbers will be the responsibility of others. Travel time over 45 minutes each way will be billed by the hour. **For this contract to be valid a signed copy must be returned either via fax or e-mail prior to this work being scheduled.**

We thank you for the opportunity to price this work, and we look forward to working with you in the near future. If you have any questions or concerns, please do not hesitate to contact our office.
Yours very truly,

BOB ROBINSON & SON CONSTRUCTION
