Revised July 24, 2018

NOTICE TO ALL PROPONENTS –

RENTAL OF CRANES

On the condition that the scope of this RFP is limited to work which can be described as coming within the trade jurisdiction of the International Union of Operating Engineers, all proponents should pay special attention to the following:

> A collective agreement has been negotiated between The Electrical Power Systems Construction Association (EPSCA) and the Power Council of Unions establishing rates of pay and working conditions for work in the electrical power systems sector of the construction industry.
>
> The International Union of Operating Engineers is bound by the terms and conditions of the EPSCA Collective Agreement. Contractors submitting responses are required to base the field labour portion of their response prices on the terms and conditions of the EPSCA Collective Agreement. A copy of the EPSCA Collective Agreement can be obtained from the Electrical Power Systems Construction Association, www.epsca.ca

ATTENTION – IMPORTANT

Notwithstanding anything set out above, work coming within the trade jurisdiction of the International Union of Operating Engineers Local 793 as that jurisdiction relates to Crane and Equipment Rentals shall not be subject to the provisions of the EPSCA Collective Agreement, if the Employer of employees performing work within such jurisdiction is a party to a collective agreement with the International Union of Operating Engineers local 793 with respect to Crane and Equipment Rentals.
